CHHS Student Affairs and Undergraduate Advising —

Welcome new CHHS students! If you attended the summer orientations, you met the Assistant Dean for Student Affairs and the Undergraduate Advisors.

We are committed to creating an environment that supports learning, healthy lifestyles, leadership, career development, personal growth, and a sense of inclusiveness. CHHS embraces the philosophy that education occurs both inside and outside of the classroom.

To that end, the learning process is enhanced by quality support services and programs as well as student support. You are welcome to contact Ms. Daly, Asst. Dean, Student Affairs, at ddaly@mail.sdsu.edu or stop by her office (Education, 154).

Study Abroad Now Required for all CHHS Incoming Undergrads

CHHS is pleased to announce that effective Fall 2010, all incoming undergraduate students will be required to participate in an international experience program prior to graduation. This requirement stems from the college’s recognition that incorporating study abroad into the college curriculum deepens and enriches the educational experience.

The university offers over 300 short & long term programs in 52 different countries. The CHHS is proud to offer HHS 350, Applied International Health and Human Services, in which students attend weekly lectures on campus, during the Spring semester. Students then participate in an international travel experience to Costa Rica or Mexico over Spring Break or India over Winter Break. HHS 350 meets the CHHS International Experience requirement, as well as the university’s Cultural Diversity and GE Social and Behavioral Sciences Exploration requirements.

Remember that SDSU uses a “dual track” advising system. Academic Advising (SSW 1551 provides advising on University requirements for graduation) and your pre-major/major advisor provides advising for your discipline. A list of CHHS advisors is on the next page.

Remember that we are here to help you. The earlier you come and see us, the better. We have information on campus resources and are committed to your success. For information about SDSU Student Affairs services, visit their web site: http://www.sa.sdsu.edu/

We encourage all CHHS students to seek financial aid and to apply for the Associated Students Study Abroad Scholarship. The scholarship application period for students interested in Winter 2011 and Spring 2011 travel is currently open. The deadline to apply is October, 11, 2011 at 4:00 p.m. The scholarship criteria and application can be found on the Office of Financial Aid and Scholarships website: https://studentaffairs.sdsu.edu/woadad/webss$getScholarshipDetail?p_account_no=A21597&p_ss_year=2011

To discover which program is right for you, or to start planning your study abroad experience, please contact the CHHS International Programs Coordinator, Suzanne Baker, in the CHHS Dean’s Office. She can be reached at suzanne.baker@mail.sdsu.edu or by calling 619-594-6477.

**CHHS Student Council Updates**

**Greetings, College of Health and Human Services (CHHS) students!**

On behalf of our College Council, I would like to welcome you to the Fall 2010 semester!

My name is Kristen Edades and I am the 2010-2011 CHHS College Council President. This year promises to be filled with many amazing experiences, but it is up to you to enjoy them all to the fullest!

Becoming involved in clubs and organizations on campus and attending council meetings are great ways to make your experience at SDSU more meaningful. Our motto, “Think Globally, Act Locally” is meant to inspire our students to think about how to use the knowledge and skills learned here in the CHHS to benefit the world and have an impact on our local communities.

Email me at edades@rohan.sdsu.edu if you are interested in attending our meetings or would like to find out how to get more involved.

Good luck this semester, and I hope to see you all around!
