CHHS International Experience Requirement Added for ENS Students in Fall 2012

Since 2010, the college has required all students to complete the CHHS Undergraduate International Experience. Beginning this fall, the requirement will now include all students in Social Work, Nursing, Public Health, Gerontology, Speech, Language & Hearing Sciences, Kinesiology and Foods & Nutrition. The requirement stems from the college’s recognition that incorporating study abroad into the college curriculum deepens and enriches the education experience of our students and provides them with an invaluable perspective in a world that is growing evermore diverse.

The College currently offers a 3 unit Upper Division General Education course to satisfy this requirement, HHS 350. Students enrolled in the course for Fall 2012 will travel to Costa Rica, while the Spring semester course offers travel to Costa Rica, Mexico, Switzerland, India, China, Germany, Scotland and Brazil. HHS 350 is also offered during the summer with travel to Thailand.

All students are encouraged to apply for the Associated Students Study Abroad Scholarship, offered each semester. Please see page two of this newsletter for details.

To discover which travel program is right for you, or to start planning your study abroad experience, contact the CHHS International Coordinator, Suzanne Baker, in the CHHS Dean’s Office (619-594-6477 or suzanne.baker@mail.sdsu.edu).
