Interested in gender and development issues in Uganda and the work that local NGO's are doing to provide more opportunities for women?

- Attend classes on development issues facing women in Uganda provided by faculty members at Mbarara University.
- Visit local NGO's to learn about issues of women's health, domestic violence, land use, girls education and refugee resettlement.
- Spend three days at a rural NGO which to visit micro-credit groups, work with secondary and primary students, and meetings with staff and board members.
- Visit to a refugee settlement, regional referral hospital, national park, and the US Embassy in Kampala are included in the program.
- GenS 450: 3 units SDSU resident credit
- Led by Dr. Judy Shepherd, Fulbright Senior Scholar in Uganda 2012-14

Info Session: March 12 @ 12 pm in AL 110

All participants are eligible to receive a scholarship – application required. Space is limited to 10 participants
