Health Professions Advising Office

The Health Professions Advising Office serves pre-medical, pre-dental, pre-veterinary, pre-pharmacy, pre-podiatry, pre-optometry, pre-physician assistant, and allied health students. Majors in our college may have some of these interests. If so, please contact:

Students must attend a group advising session prior to seeking individual advising.

CHHS Undergraduate International Experience

http://chhs.sdsu.edu/international/

Roxanne Riedel, MA
CHHS International Programs Coordinator

Bianca Lisek
CHHS International Programs Assistant
Benefits of study abroad for students going into Health & Human Services fields:

• Enhancement of personal traits
• Development of social skills
• Acquisition of cultural learning and cross-cultural competency
• Empathize with the perspectives of others
• Exhibit attitudes of tolerance and self-confidence

Currently 32 programs at SDSU require study abroad

CHHS is the first College at SDSU sending all undergraduates abroad!
• Minimum of 2 weeks & MUST earn academic credit (some 9-day SDSU programs are approved)

• Choose from short-term, summer, semester or year-long programs:
  ✓ Study abroad
  ✓ Volunteer
  ✓ Internship
  ✓ Research

• Choose from hundreds of programs in over 50 countries!

• Complete GE or major coursework, or learn practical experience for your future field of work

• Consider HHS 350 – Applied International Health and Human Services .... As an option!!
1) Get your passport! New passport office next to the International Student Center! (Located on the west side of campus, north of Peterson Gym). Walk-ins only, No appointment necessary.
Phone: (619) 594-3800
E-mail: passports@sdsu.edu

2) Review the online Study Abroad Presentation and attend a program-specific Info Session to learn about program options, scholarships, and more!

3) Attend the Fall 2018 Study Abroad Fair on campus:
10-2, September 11, North Library Walkway

4) Research your options: chhs.sdsu.edu/international

5) Contact us at chhsintl@sdsu.edu
It’s never too early to start planning!
Remember…. You don’t have to study abroad… you GET to study abroad!
Essentials for Student Success
Essentials for Student Success

Meet with your major advisor at least once per semester.
- Prerequisite course sequencing and progression
- Impaction criteria
- Requirements for the major

Keep up with your course work
- Allocate 2-3 hours of study (per week) for each unit enrolled in

Thoroughly review course syllabus
Essentials for Student Success

Seek help when you need it
✓ Visit professor office hours
✓ Form small study groups
✓ Visit the Math and Writing Centers
✓ If you have or think you may have a learning disability it is important to register with the Student Ability Success Center prior to the start of classes
Essentials for Student Success

Get Involved!
Learning does not only happen in the classroom
• Over 350+ student clubs and organizations
• Research opportunities with SDSU faculty
• Internships
• Service learning

Get the balance right!
Work hard but also enjoy your college experience!
Jason Ramirez
Interim Assistant Dean for Student Affairs
